INTRODUCTION

Frontend Developer with 3 years of experience in building enterprise applications using Angular, React, and Spring Boot. Skilled in cloud deployment with AWS, Docker, Kubernetes, and agile delivery. Experienced in scaling applications, optimizing performance, and driving end-to-end development.

SKILLS

Programming Languages - Java, Javascript, Typescript

Frontend - HTML, CSS, Angular, React, Bootstrap, Material UI, Responsive Web Design

Backend - Spring, Springboot, Node JS, Express JS

Devops - AWS, Docker, Kubernetes, CI/CD

Databases - MYSQL

Tools - VS Code, IntelliJ Idea, Git/Github, Postman, SQL Developer, Github Copilot

Professional Skills - Problem Solving Skills, Strong Interpersonal Skills, Adaptability and Creativity

Methodologies: Agile, Scrum

PROFESSIONAL EXPERIENCE

BMW TECHWORKS INDIA

Pune, India

Junior Software Developer

November 2024-Present

- **SKILLS USED** - Angular , SpringBoot , AWS , Docker , Kubernetes, Proprietary Cloud Management Console
- Built and integrated Angular components into an existing enterprise application to enhance UX and feature coverage.
- Contributed to AWS infrastructure tasks supporting deployment, scalability, and security best practices.
- Managed Kubernetes deployments and secure integrations; supported multi-region rollout for higher availability.
- Collaborated with cross-functional teams to ensure reliable frontend-backend integrations (Spring Boot APIs).

TATA TECHNOLOGIES

Pune, India, Jan 2023 - Nov 2024

Solution Developer

Jan 2024 - Nov 2024

- **SKILLS USED** - Angular, Springboot, AWS, Bootstrap, Proprietary Cloud Management Console
- Delivered new features and UI refinements in Angular; improved UI consistency and responsiveness across modules.
- Integrated REST APIs and validated data flow with backend teams; resolved defects and performance bottlenecks.
- Supported deployments and environment configurations on AWS; followed security and compliance guardrails.

Graduate Engineer Trainee

Jan 2023 - Jan 2024

- **SKILLS USED** - Angular, React, Bootstrap, SpringBoot, SQL Developer
- Developed user role and vehicle management features using React (frontend) and Spring Boot (backend).
- Maintained and enhanced an existing application; fixed issues and iterated on new functionalities.

- Migrated a legacy frontend from Angular to React within a week to improve maintainability and performance.
- Contributed to documentation and knowledge sharing; assisted in onboarding new team members.

CERTIFICATIONS

Frontend Development -

- React and Redux by CipherSchools

Backend Development -

- Advanced Java & Core Java – Board Infinity

Cloud And Devops -

- AWS Cloud Essentials – Knowledge Badge Readiness Path (Includes Labs)
- AWS Cloud Quest: Cloud Practitioner - Training Badge

EDUCATION

Bachelor Of Technology Computer Science And Engineering (Hons.) <i>Lovely Professional University , Phagwara (7.77 CGPA)</i>	Phagwara, Punjab 2019-2023
Little World School <i>12th (89.6%)</i>	Jabalpur, Madhya Pradesh 2018-2019
Little World School <i>10th (9 CGPA)</i>	Jabalpur, Madhya Pradesh 2016-2017
